

A JOURNEY TO THE ART OF IMPERIAL GUISINE

OUR RECIPE HAVE BEEN PROTECTED FOR GENERATIONS

We have preserved our menus and recipes for decades. Our menus are authentic and have been filling our customers belly for many years.

Originally from Bandung, West Java, we have expanded our restaurant to the busy street of Jakarta. Bringing our ancestors flavor to the heart and stomach of our existing and new customers.

We hope that the recipes and flavor will not be forgotten and succeeded to the next generations to come.
